What Life Purpose Facilitation clients are saying about their 2-day experience:

WOW!

What an incredible, humbling, and exciting experience it was to have my life laid out before me through my Facilitator's guidance and wisdom.

The process of completing a Life Plan is amazing - but even beyond that, I know it was my Facilitator's faithfulness, prayer, and professionalism that allowed what I saw on the screen to come alive. I now truly know freedom in Christ, and how to soar and live a life of joy! I am making changes.

God had brought me to the point that I knew He had a different plan for my life, but I couldn't figure out where He was leading me. My Facilitator took me on a journey in two days bringing me to the knowledge of my next steps that will lead me to accomplishing God's plan for this half of my life. I now have hope, direction, and excitement as I continue this precious life I've been given.

I cannot speak favorably enough of my Facilitator's efforts to create such a life-changing event in my life. I have begun to implement some of the steps that we assessed needed to happen—with very favorable results—God's favor being evident. That has been a true confirmation of the process.

Dear LPCC, I will be forever grateful for my Facilitator's help in my transformation. God certainly used that particular personality and your skill set to set me free from my self-imposed barriers.

Here's what some of our coaching clients are saying:

- My Coach exuded a sense of trust and spiritual maturity that I have only discovered among a few.
- Every week we discovered something new...usually something that had been holding me back from becoming the person God wants me to be!
- My Coach was honest, incredibly encouraging, and helped confirm my purpose in life. Hearing regular, God-given wisdom was truly inspirational.
- Our weekly "Conversations on Purpose" were very affirming and anchoring. With great discernment, my Coach was able to hone in on just the right questions to ask to promote self-discovery and encourage a deeper sense of who I am in Christ.
