It utilizes the modern-techno *BreakThru* method called "Your Life on the Movie Screen®," which is LPCCI's marquee coaching process that allows a client's life to *flash up* on an LCD viewing screen for two days (8am-5pm), with him/her receiving the coaching documents printed out upon completion.

Upon completion of this class and your field practicum work, and LPCCI's acceptance of a testimonial from one pro bono facilitation client whose 2Day-BreakThru Facilitation (AKA Life Purpose *Intensive* Plan or "Your Life on the Movie Screen®") you have facilitated, and upon receipt of a "Pass" grade from your private, assigned Field Mentor, your new title/designation will be added to the World MAP.
